So?
What kind of scary things?
Kyouko, have you thought about what you want to do in the future?
Well, first, try and imagine this: A FORTY YEAR OLD WOMAN who's still a magical girl.
There's nothing else to do than keep being a Magical Girl right?
I mean, what else is there? I've got my hands full just dealing with all the monsters...
Can't show anything but your face
Lower body fat
Don't destroy the children's dreams!
Droopin' housewife
Magical ★ MILF
Really old
Youth
Just faking it
BANG
FAT
Keep the lights off
(<>ω・)Kira★
Can't be botherd

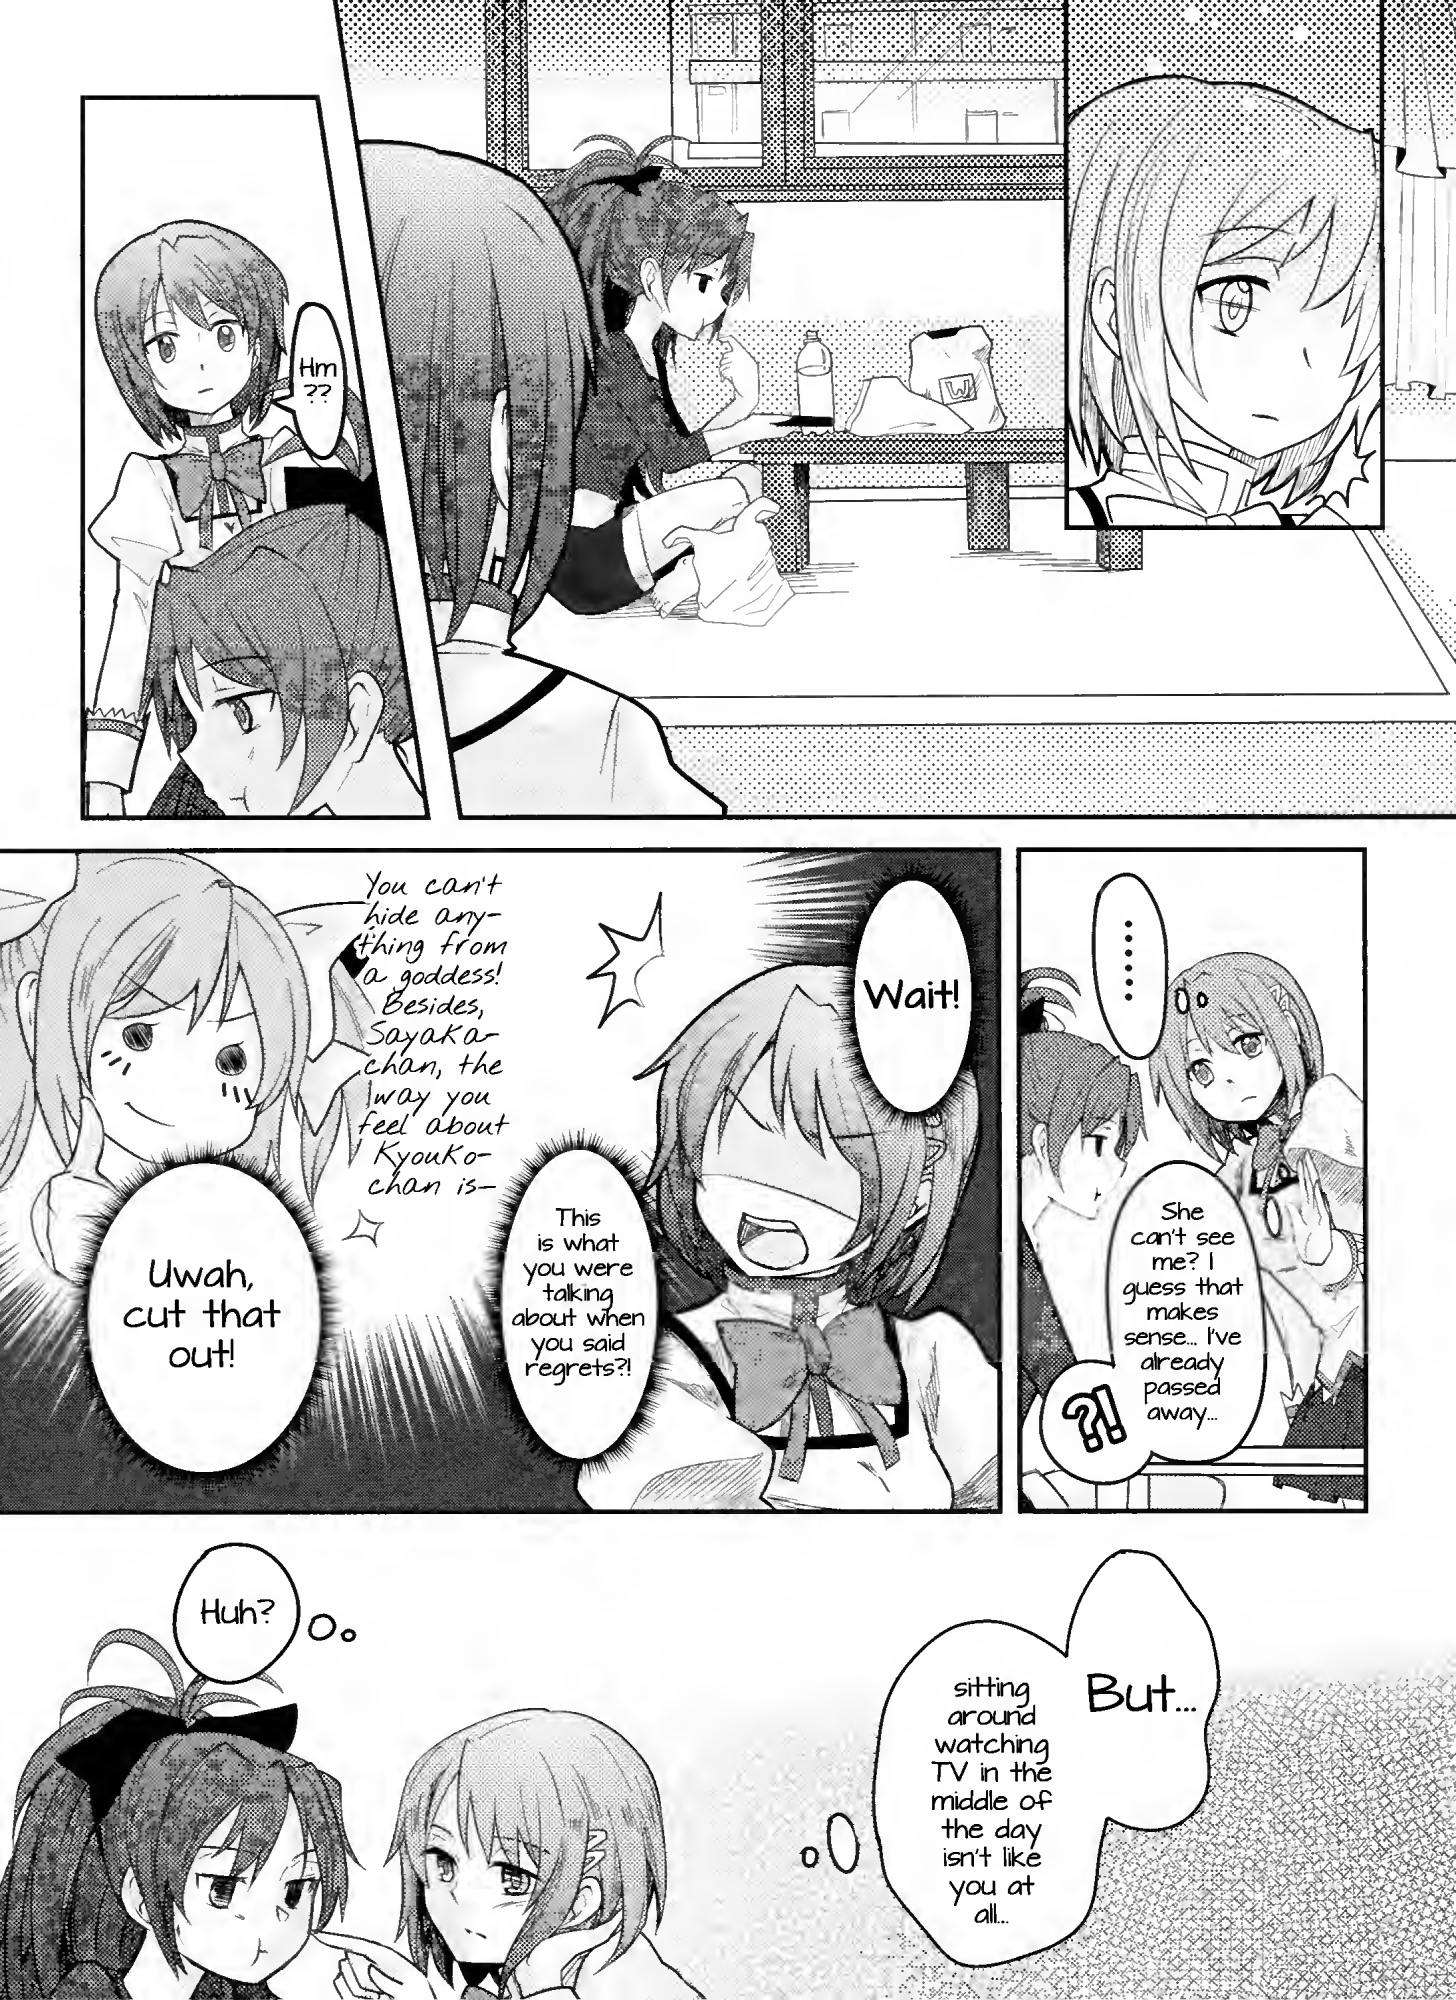
Slave to your own power
SHUT-IN
Haaa?
Don't you know the truth about being a Magical Girl?
Eh, really I feel sorry for you, Kyou-ko...
Uwa aaa ao oo h!
Kyouko found her motivation in life.
Get it now?
Would a house-wife really wear that kind of outfit?
IS IT REALLY THAT BIG OF A DEAL ?!?!
If you keep it up too long, scary things will happen!

presented by Mitsu

I feel like I wasted a lot of your time,
Ma-doka.
No, no.
Com-pared to Homura, this was nothing.
Really, I just wanted to hear Kyousuke play his violin one more time, that's enough for me
In the end, this is the best way it could have turned out.
Aah.
Guess I did do a lot of stupid stuff...

Are you sure...?
I- I'm fine, I swear!
There's no reason not to take your friends up on their offers every once and a while.
You're such a block-head, Sayaka-chan...
Are you really okay with this? Is there honestly nothing else?
I don't have any regrets.
And besides, I—
Um, what...?
I don't think it'd be a good thing for you to die with some lingering regrets about the friends left behind.
It'd be better if you figured it out for yourself.
I'm fine!
LIKE I SAID,



Hm ??
Wait!
This is what you were talking about when you said regrets?!
You can't hide anything from a goddess! Besides, Sayaka-chan, the way you feel about Kyouko-chan is—
Uwah, cut that out!
……
She can't see me? I guess that makes sense... I've already passed away...
?!
Huh?
But...
sitting around watching TV in the middle of the day isn't like you at all...

Nggh...
Sayaka... you jerk...
Food doesn't even taste good anymore...
Starting to feel a little guilty over here...
.....

Blank eyes.
Tear marks.

Don't tell me she's been crying her eyes out all this time...
Why would she care that much about me...?

Being by yourself is... just too lonely.
It's okay, I'll be here with you.

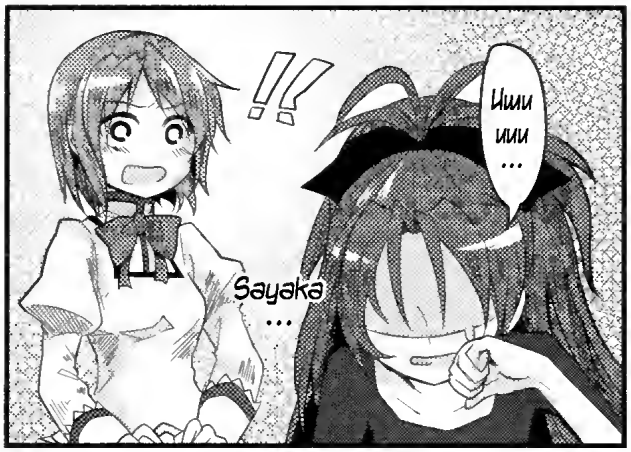
Back then she was acting so cool, too... Jeez...

WHAAAT?!
She can see me?!
I must have stayed up too long...
I'm pretty sure I just saw Sayaka petting my head...
You were lonely here all by yourself, huh? I'm really sorry...
!
?
She can't, can she? That'd be dumb, right?
poke
.....
Sa-
Sayakakakaka?!
Uwaaaaaaah!
I-I could touch hee-err!!
.....
.....

It's just me, Sayaka-chan!
Well, Too bad...
Who in the world is this beautiful girl who just appeared before you?
Maybe a demon? Or is it just your imagination?
Heh heh!
You must be very confused right now!
What the hell am I doing? I look like an idiot...
Pfft!
Madoka .....!!!!
What the heck is going on? Explain it to me!!
Ahahah, sorry, sorry... I temporarily cancelled your wish, okay? Temmpoorarily★
?
At that moment with Kyousuke.
My left arm ...
Kyou-suke?
Uwah... Sorry, Kyousuke. It's only temporary, so he won't mind, right?
Kyousuke definitely minds.

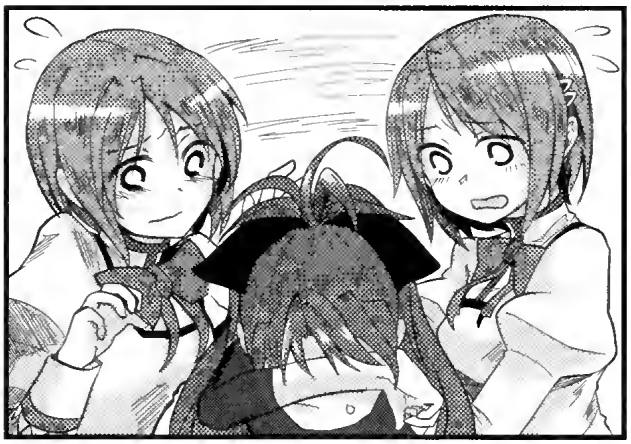
Sayaka ...?
?
Is it... Is it really you, Sayaka?
ドクン!
...
Heh heh heh. Of course I'm Sayaka.
But, I'm not the Sayaka you knew...
Huuuh?
Right now, I am a newly reborn Sayaka who has seen the truth!
My attack has increased by five times, and my stamina by ten!
Ooh my! Sayaka-chan! Madoka
Any-way...

!
I understand everything now.
From the beginning, you've been an even bigger idiot than I am..
Wha?!
Well, when I died you kept crying "Sayaka! Sayaka!"...
Uwa aah!
Just how much do you love me, anyway?
I do not!
That didn't happen!
Like, at all!
Why would I love yo—
Thank you, Kyouko.
Eh?!

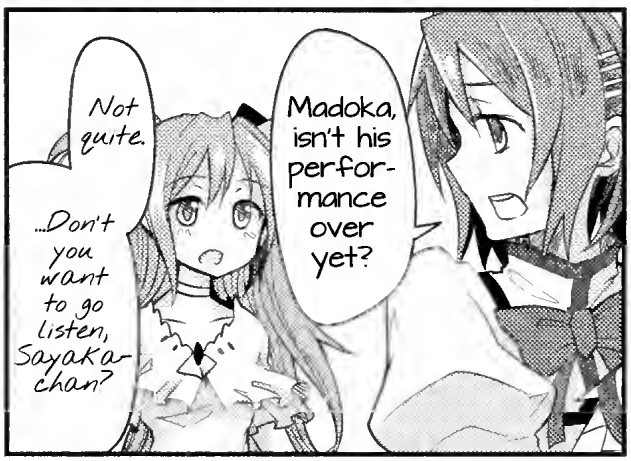


!?
Uuu uuu …
Sayaka …

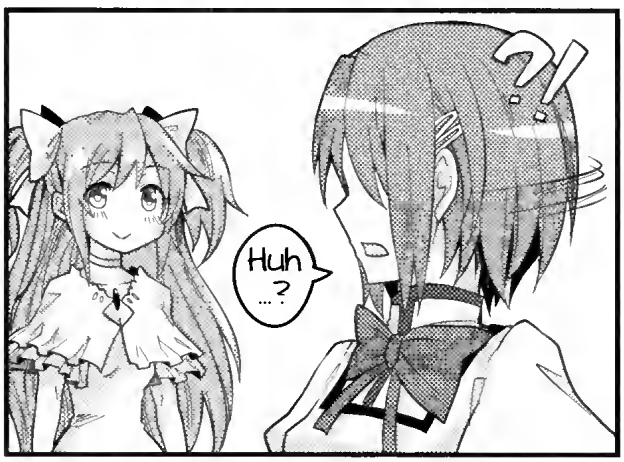
……
Was that all just a dream?



One last time?
but I'm glad I got to see her one last time.
It's a little sad,
You're wrong.

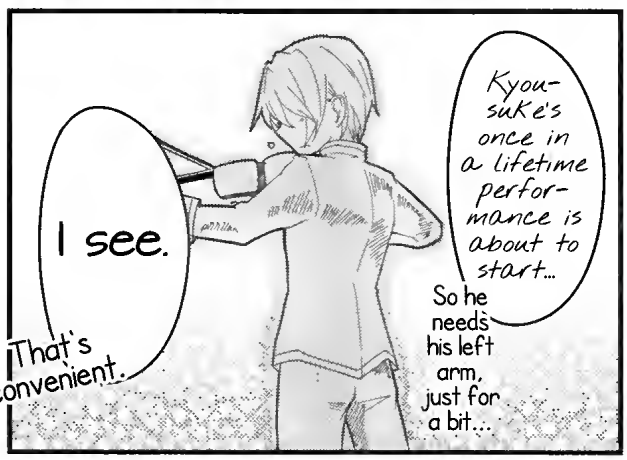


Not quite.
…Don't you want to go listen, Sayaka-chan?
Madoka, isn't his performance over yet?



?!
Huh …?

BUT, IF I LEAVE HER ALONE RIGHT NOW …
KYOU-KO'S GONNA DIE!
Um, you know you're the one dying here, right?
I do wanna go listen, though…

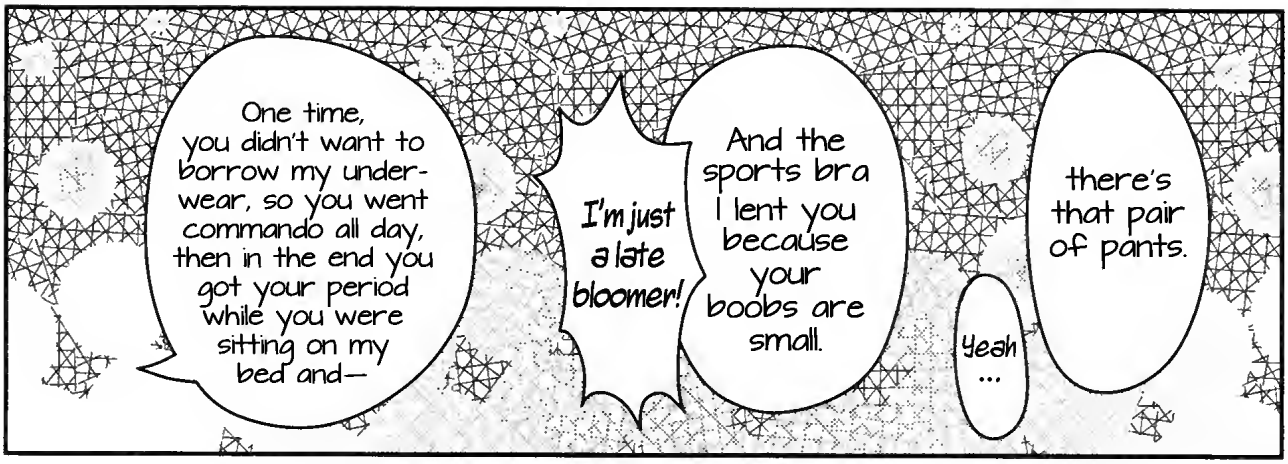


Kyou-suke's once in a lifetime perfor-mance is about to start…
So he needs his left arm, just for a bit…
I see.
That's convenient.

チュンチュン
Aah...
It's just Sayaka...
?!
……

Sayaka aaaa!!!
?
GHAAAA
!?
Aaah... Kyouko, g'morning ...
Okay, calm down.
First, see if it's just a dream ...
SO IT'S NOT ?!
But now? Sayaka doesn't exist anymore ...
...
Kyouko!!
Yes ?!
This is...
going to be hard to explain,
so let's get up first.
Okay ...

Explanation complete.
Hm...
So basically, you are the real Sayaka?
I don't believe you.
Prove it to me.
Okay, well, you still have a coat I let you barrow...
Ah, not to mention,

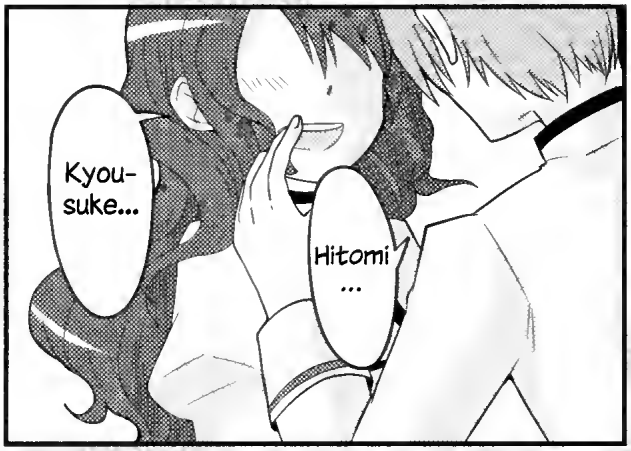


there's that pair of pants.
Yeah...
And the sports bra I lent you because your boobs are small.
I'm just a late bloomer!
One time, you didn't want to borrow my underwear, so you went commando all day, then in the end you got your period while you were sitting on my bed and—

?
Sorry.
That's enough.
I believe you.
Heh heh! I still quite a few more embarrassing things about you, y'know?
Eh...?

Then
the person sleeping next to me was...
Um... Nope...
You mean it wasn't a dream?
Well, for one, you know that thing you saw earlier...
Uwaa...
You're doing it again!★
Did I really look that dumb when I was sleeping ...?
When I was watching, I couldn't help but... HEH HEH
Oh jeez!
What's up, why are you making that face?!
Yup, me. I was there the whole time after you cried yourself to sleep.
Oh man, crying yourself to sleep, so cute ～～
SQUEEZE

She's all tense...
Kyouko, listen...
'Kay...
I might disappear again at some point...
And if I do, I could be gone for good.
But even then, I'll always be watching over you, okay?
After all...
Being by yourself
is just so lonely, isn't it?



Sa: Oooh, you're blushing, you're blushing～

Kyou: Shut up!

Uwah...
Sayaka, let's eat together!
Kyouko, what is all that?
If I eat that much I'll get fat!
You're still worried about that even though you're dead?
!
Oh yeah, you're right!
Good, isn't it?
But you know ...
I wouldn't mind it even if you got a little fat... I mean...
Curvy is kinda cute.
ドックン
ドックン

Rather than candy...
WIPE WIPE
?!
Don't talk with food in your mouth!
I'm not gonna get fat though.
Waah!
Kyouko, you're too cute!
Sayaka ?!?!
Uuah!
I really want to eat you, Kyouko!
I'm not food!!
Also, why am I the one who has to get eaten?!

You mean you want to eat me instead?
Shut up! Just have some candy or what-ever!!
Wha aaaa aat?!
Uwah! A new limited edition summer flavor!
Good thing you bought this, it'll probably sell out pretty quick...
.....
Aah... It's been a while since I ate real food...
Even though I finally managed to say it... This sort of thing is just too weird...
I really am an idiot.

!!
Sayaka.
?
Wait—
Kyouko
...
Yeah
...
Hold
on...
ドックン
ドックン
ドックン

My first kiss was Yogurt Apple Pocky flavored ...
Sayaka ...
It was delicious ❤
I still had food in my mouth!
You're the one who said it.
So you better not regret this.
.....
Jerk!
There's no way
I would ever do that.

あとがき

ここまで読んでいただいた読者たちに感謝を。
私はMitsuです

この本はまどかの放送が終わってから二冊目の同人誌です。
その間、三ヶ月が過ぎましたか、時の流れは早いな。
今でもまどかまだ終わってばかりの錯覚がします。
初めてラブラブ本を描いたから、
作者の精神にも、握っているペンにも大きな衝撃を受けて（？）、
最後にはやっとここまで描けました。
残った恥力を全部発揮して、栄光と共にホームインしました。
これからラブラブ本を描くかどうかはわからないけど、
しばらくは描かないつもりです…OTLLLLL
あまあまラブラブ本は別の人が描くものを見る方が楽しいですし！！

では、今回の方の内容について！
ストーリーの背景はまど☆マギ最終話の続きです。
まどかが美しい世界を創ったけど、さやかはまた死んでしまいました…
やっとさやかと友達になれる杏子は大切な人が円環の理に導かれてしまったのをなにもできずにただ見てるだけ。
杏子の気持ちを思うとこっちまで悲しくなりました。

「杏さやのハッピーエンドが欲しい」

この思いから、今回の突発本が生まれました。

最後に、恭介の左腕マジ超便利。

Eh...?
He he ~☆
Did you think it was a dream?
Were you feeling lonely getting left behind again? I'm sorry...
Shut up!
That wasn't it at all!!
To think Sayaka-chan could get eaten by such a cute little Kyouko.
Stop talking crazy!
Jerk!!
